

## Report from ACCO

**Noted** that ACCO had two meetings during the Working Week 2003 in Paris (April 12<sup>th</sup> and 16<sup>th</sup>).

**Recorded** that the Vice Presidents have following responsibilities in ACCO and Commissions :

- Chair of ACCO : Andreas Drees
- Responsibility on different Commissions:
  - Andreas Drees : Commissions 7, 8 and 9
  - Bettina Petzold: Commissions 1 and 3
  - Ralf Schroth: Commissions 2 and 6
  - T. N. Wong: Commissions 4, 5 and 10

**Decided** to appoint following representatives of ACCO to the Commission Review Group:

- Peter Laarakker (Netherlands)
- Robin McLaren (United Kingdom)
- Vaclav Slaboch (Czech Republic)

**Decided** that on the role of FIG Office in organising FIG events that in addition to the Working Weeks, Congresses and regional conferences the office will support Commissions in organising their annual and other events.

**Discussed and agreed** on the preliminary concept of the FIG World Report on Good Practices – attached to this paper.

**Discussed** on the first draft of the FIG Information Policy Concept.

**Recorded and agreed** on participation to following up-coming Regional Conferences :

- Marrakech, Morocco December 1-5, 2003
- Jakarta, Indonesia, October 5-9, 2004

**Agreed** on the concepts of the up-coming Working Weeks and the next Congress

- Athen 2004
- Cairo 2005
- Munich 2006

"Toujours en première ligne"

## Good Practice Report (GPR)

GPR is **important** item of FIG-Workplan 2003-2006

**Aim** is to learn from each other,

**Benefit** for surveyors from member association:  
*What is going on? Where to find more?*

**Strategy** is:

- 1) **Policy level** ..... *FIG statements (Bogor, Bathurst, Nairobi)*
- 2) **Guidelines** ..... *FIG reports #31, Cadastre 2014, CPD;*
- 3) **Practical level** ..... *database, country reports, additional information*

FIG Working Week 2003 - 125th Anniversary and 26th General Assembly

"Still on the front line"  
"Toujours en première ligne"

## Progress

Münster-meeting 25.2.2003: *Drees, Molen, Muggenhuber, Petzold, Schroth*

**ACCO-discussion:**

**How to proceed:** integrate work of COM's and result of FIG-events into a GPR

1. *integrated country reports*
2. *10 burning questions*

**Timing:** 1. results to be presented at FIG event in Morocco
