Dear Markku,

Thank You for the letter dated 07.04.2008 about the opinion of Union of Surveyors and Land Managers in Bulgaria (USLMB) for the membership's candidature of the Chamber of Graduated Surveyors - Bulgaria (CGSB) in the International Federation of Surveyors (FIG).

We inform You, that a preliminary harmonization with USLMB of the request of CGSB for the membership to FIG is not available. In a sitting organized on 14.04.2008 the Executive Board of USLMB decided to support the candidature of CGSB for the membership in FIG.

Best Wishes
