

## **MEMORANDUM OF UNDERSTANDING BETWEEN THE GLOBAL SPATIAL DATA INFRASTRUCTURE ASSOCIATION (GSDI) AND THE INTERNATIONAL FEDERATION OF SURVEYORS (FIG)**

### **1. Parties**

This document constitutes an agreement between the Global Spatial Data Infrastructure Association (GSDI) and the International Federation of Surveyors (FIG).

### **2. Background**

GSDI and FIG each recognises that the other is an international organisation with many complementary activities serving similar professional constituencies.

The GSDI Association is an inclusive organization of organizations, agencies, firms, and individuals from around the world. The purpose of the organization is to promote international cooperation and collaboration in support of local, national and international spatial data infrastructure developments that will allow nations to better address social, economic, and environmental issues of pressing importance.

FIG is a Non-Government Organisation that collaborates with UN agencies and other international organisations to support progress in all fields and applications of surveying. FIG represents academic, commercial and public and private surveyors world-wide and specialises in technical and professional areas including surveying education and professional standards, hydrography, positioning and measurement, surveying, mapping, engineering surveys, geographic information systems, cadastre and land management together with marine cadastre, land and environmental planning plus the development of coastal zones and property valuation and the management of real estate.

### **3. Purpose**

The purpose of this Memorandum of Understanding is to provide a framework for a continuing liaison between the two organisations. This will be achieved by maintaining and increasing the opportunities of scientific, technical and professional as well as academic and educational exchange between their members, through a continuing programme of cooperation leading to mutual sharing of knowledge and expertise to the advantage of both organisations.

### **4. Programme of Activities**

In accordance with the background and purpose described above, both organisations agree to endeavour to intensify their co-operation for mutual benefit. The following steps will be taken, among others:

1. Regular contact is to be established between the two organisations in order to institute and maintain a continuing liaison to address matters of common interest;

2. Each organisation will inform the other of all Commissions, Working groups, etc. that it has established and invite representation from the other where it is agreed that it would be appropriate.
3. Each organisation will inform the other of its programme of proposed seminars, workshops, etc. to enable joint participation should it be of mutual benefit and inform its members of these events as appropriate.
4. Both organisations will identify opportunities to organise joint sessions at conferences and specialised seminars or workshops under joint sponsorship.
5. Each organisation will invite a representative from the other organisation to attend respective Congresses/Conferences and offer complimentary registration.

## **6. Financial Commitment**

It is understood that neither organisation can commit the other to any expenditure, save that from administering this agreement, without the specific written agreement of both organisations.

## **6. Legal Status**

This Memorandum does not create a legal link between the two organisations who will maintain their mutual independence.

This Memorandum of Understanding is valid until GSDI or FIG proposes changes to it. Each organisation has the right to propose changes to this Memorandum at any time. Any changes shall be subject to the agreement of both organisations.
