**Matt Withington**

Bowls anyone? A few of us thought we would help the Edgeware Bowls club shift some liquefaction off the greens. Any... appreciated!

## New models of decision making

A fundamental element was that nobody “approved” a decision, rather any member could make any decision, provided they consult with:

- 1.the people affected** by that decision and
- 2.someone who the team regards as having expertise on the impact** of that decision

The powerful skills of the 'Unskilled'
