FOR A BETTER URBAN FUTURE

 **GLTN**  
GLOBAL LAND TOOL NETWORK

# Country Examples - Uganda

Policy/Legal

- Support to national land policy implementation
- Review of laws and regulations (Customary, Slums, Gender)
- National Gender Strategy
- FFP Land Administration Strategy

Institutional

- Capacity or institutional assessment study
- Capacity development including government authorities
- Knowledge and awareness building on tools implementation and policy reforms

Spatial

- Application of tools in urban and rural context
- Use of STDM, Enumeration and Other Tools
- Awareness building (inform policy and institutions)

FACILITATED BY:

**UN HABITAT**  
FOR A BETTER URBAN FUTURE

# Country Examples - Nepal

Policy/Legal

- Support to national land policy development
- Review of Tenure Systems
- Fit for Purpose Land Administration Strategy

Institutional

- Capacity development at all levels
- Knowledge and awareness building on tools implementation and policy reforms
- Review of land governance in decentralization policy

Spatial

- Application of tools in post earthquake
- Use of STDM, Enumeration, Gender, Land Use, PILAR and Other Tools in 3 areas
- Knowledge and Awareness building (inform policy and institutions)

FACILITATED BY:

**UN HABITAT**  
FOR A BETTER URBAN FUTURE

# Country Examples - DRC

Policy/Legal

Institutional

Spatial

- Support to national land policy development
- Fit for Purpose Land Administration Solutions – How to Scale Up?
- Gender and Land Mediation
- Land Use Planning

- Capacity development at all levels
- Knowledge and awareness building on tools implementation and policy reforms
- Land mediation institutions vis a vis land administration institutions

- Application of tools in post conflict
- Use of STDM, Enumeration, Gender, Land Use and Land Mediation
- Initiate FFP solutions
- Knowledge and Awareness building (inform policy and institutions)

# Conclusion

- ✓ **GLTN, to a great extent, is already implementing Fit For Purpose Land Administration Solutions at country level**
- ✓ **The Guide validates the relevance of GLTN work at country level**
- ✓ **The Guide makes the work of GLTN more systematic and targeted**
- ✓ **At global level, emphasis is more on technology and spatial components**
- ✓ **Target more government authorities, land professionals, consultants, donors**
- ✓ **Need for cost benefit analysis to promote FFP Land Administration**
- ✓ **Partnership is key**
- ✓ **Many opportunities offered by SDGs, NUA, VGGTs and LPI- F&G**
