

COMMISSION 7

Annual Meeting
Seoul, 18-23 May 2007

FIG Standards Network Meeting in Hong Kong

Dr. Daniel Steudler

Swiss Federal Directorate of Cadastral Surveying

FIG Standards Network

Aim: to keep link between FIG members and the international standardization organizations, in particular ISO (next important meeting in Rome at the end of May 2007).

Chair: Iain Greenway (N. Ireland)

www.fig.net/standards_network/

→ The Network sees itself at the hub of FIG standardisation activities, making the necessary linkages and providing the necessary advice to commissions and others.

Members

- Comm. 1 - Iain Greenway (Commission vice chair) - continuing member
- Comm. 2 - Bela Markus (Commission chair) - new member
- Comm. 3 - Helen Murray - new member

Meeting of group in Hong Kong, 16 May 2007

Comm. 1 -

Comm. 2 - Meta data about academic institutions, education programs

Comm. 3 - SDI standards (INSPIRE)

Comm. 4 - Hydrographical certification models, standards on collecting imagery

Comm. 5 - GPS calibration procedure standards, laserscanning issues

Comm. 6 -

 Comm. 7 - Social Tenure Domain Model

Comm. 8 - (no issues, left to industry)

Comm. 9 - International valuation standards

Comm. 10 - (no issues, left to industry)

Potentially the biggest issue that FIG can tackle in the next 4 years.
