Report of the FIG Foundation 2002-2003

Administration

The FIG Foundation is located in the FIG office in Copenhagen.

The decisions of the Foundation are made by a Board of Directors chaired by the President of the FIG Foundation. In 2002 the Board of Directors was:

- Prof. Holger Magel, President of the FIG Foundation
- Prof. Stig Enemark, Director (Denmark)
- Iain Greenway, Director (Ireland)
- John Hohol, Director (USA)
- Prof. Ian Williamson, Director (Australia)

At the meeting of the Board of Directors in Washington, DC John Hohol was nominated as new President of the Foundation and Dr.-Ing. Ralf Schroth, Vice President of FIG (Germany) was nominated as new Director to replace President Magel in the Council from January 1, 2003. These appointments were confirmed by the FIG Council. The other Directors will remain the same. Dr. Schroth will also represent the FIG Council in the Foundation.

Further Mr. Jack Dangermond, President and Founder of ESRI, has been acting as an Honorary Chair of the Foundation Fundraising Campaign.

Activities in 2002

The work of the FIG Foundation was raised to a new level in conjunction to the FIG 2002 Congress in Washington, DC. The total amount of funds raised during the FIG Congress was US\$ 49,800.

The fundraising from the Congress consist of:

- donations through participating the Foundation Fundraising Dinner – 51 delegates participated this first ever Dinner each paying US\$ 150 to the Foundation
- voluntary donations in conjunction to the registration. 5 delegates donated US\$ 100, 13 delegates US\$ 50 and 15 delegates US\$ 25
- bigger donations were further made by our corporate member Trimble Navigation Ltd., that gave US\$ 2,000 and John Hohol who has donated US\$ 1,000
- from the Congress registrations Congress Director Mary Clawson budgeted royalties of US\$ 5 for each delegate to the Foundation. The total amount from this donation is US\$ 12,425 which is equal to 2,485 delegates.

Special thanks belong to Jack Dangermond, President of ESRI, for his support to the Foundation including donation of US\$ 25,000 to the Foundation itself and for donating 25

software licences and training grants as FIG/ESRI Grants to universities and academic institutions (total value of US\$ 7,000,000). This donation was launched at the Congress but afterwards the final number of donated software packages has increased over 50.

Mr. Robert Foster, President of FIG 1999-2002, used the occasion of the FIG handover ceremony to donate US\$ 1,000 to the Foundation.

The Foundation has granted the donors the first FIG Foundation plaques in 2002 as follows: Jack Dangermond (platinum), Mary Clawson, Congress Director FIG 2002 (silver), Trimble Navigation Ltd. and John Hohol (bronze). Robert Foster will get his plaque at the FIG Foundation Dinner in Paris.
