Nominees Statement:	
Why I want to be a Commission Chair and what I would like to achieve	<ul style="list-style-type: none"> - I'm active in FIG since 2006 by arrangements for including Agency for Real Estate Cadaster from Republic of N. Macedonia as an affiliate member of FIG; since 2006 I regularly publish papers and attend FIG WW and Congresses. - I strongly believe in the FIG Mission and Vision and I recognize them in line with the UN SDG's for sustainable development. - I will actively support FIG work and promote further development of advanced professional education and developing/connecting academic networks (like LALAN for e.g.) - exercising the proven model of the Dutch Geo community and advanced education where applicable
What I can offer to FIG in support of the aims and objectives of the Commission	<ul style="list-style-type: none"> - I get most energy and innovative spirit when I'm in a class with students and young professionals – having this said I'll focus a lot of my work on motivation and inspiring young Surveyors/professionals - I'll work closely with FIG YSN - Bring on higher level innovative and effective education and training for surveyors by sharing and dissemination of surveying knowhow via academic and knowledge networks - Strong international and entrepreneurial orientation that I practice in my present work position and the one that Dutch geo community and FIG delegates exercise - Enhance cooperation with other FIG commissions to create added value for the FIG Community
