Dear Louise

The Netherlands' Cadastre, Land Registry and Mapping Agency (in short Kadaster) is, as current employer of Dr. Rohan Bennett, pleased to support his nomination as chair for FIG Commission 7 for the period 2023 – 2026.

His background in cadastre and land management, his drive for innovation, his international experience and his efforts to create synergy between theory and practice will make him an excellent chair of FIG Commission 7.

Best regards,
