Object: Candidacy for hosting FIG 150th Anniversary Working Week 2028

N/Ref.: 2201048163

Dear Mr President,

It is with great pleasure that we, Ordre des géomètres-experts (OGE), officially express our candidacy, in partnership with our sister professional organisation Association francophone de topographie (AFT), to host, in Paris in 2028, the Working Week celebrating the 150 years of the creation of FIG.

Looking forward to the reception and the decision that FIG Council will reserve to our candidacy, we remain at your disposal for any further action to be given.

Sincerely yours,
