

Land Administration and Climate Action: Results from the International Pre-Conference Workshop

Claudia Lindner (Germany) and Rohan Bennett (Australia)

Key words: Keyword 1; Keyword 2; Keyword 3

SUMMARY

This presentation provides a summary of results from the 1-day workshop on land administration and climate action. The event was held prior to the 2024 FIG Commission 7 Annual Meeting. The results take the form of action plans for the participating countries, mainly from the Asia-Pacific region. The lead authors were the facilitators of the session, however, the presentations will be delivered by the selected participants.
