

# **The Direction of Rural Land Management Reform in China**

**Rong (Rosy) Liao (China, PR)**

**Key words:** Land management; Rural land management, land acquisition, rural land market

## **SUMMARY**

China's government now is paying more attention on the protection of the rights of rural citizens by reforming and improving the rural land management system. The main three aspects are to improve the rural land market, to make more reasonable land acquisition and to better manage the land use of rural household sites.
